### **New HYDE<sup>®</sup> Contour Scraper Is a Must-Have for Remodelers**

SOUTHBRIDGE, MA - This professional-grade stainless steel scraper from HYDE<sup>®</sup> will be featured at the New Product World booth at the National Hardware Show. The product will also be featured at Hyde's Booth S22824 as a product new to their line. Make it a point to stop by the New Product World booth as well as Hyde's booth in order to see this innovative product.

The Contour Scraper removes paint, varnish, putty, caulk or rust from virtually any surface. Six changeable blades fit into tight corners, curves, small channels and more, for use in a wide range of home and worksite projects.

This tool set is a great problem-solver for contractors, homeowners, furniture refinishers and anyone else with a serious job to tackle – making this the perfect item to cross-sell in paint, stain, tool or outdoor departments.

Ergonomic handle is comfortable for extended use. Sharp, durable blades can be re-sharpened. Tool is easy to clean and comes carded for pegboard displays. Stop by both booths in order to see all of these features in person.
