

CALIFORNIA PROPOSITION 65 NOTIFICATIONS

Proposition 65 is a California state law requiring warnings to California consumers when they may be exposed to chemicals known to the State of California to cause cancer, congenital disabilities, and/or reproductive harm.

Because our products are sold in California, Hyde Tools complies with Proposition 65. To ensure compliance, we include the below warning on any of our products which contain chemicals known to the state of California to cause certain harms.

WARNING: These products can expose you to chemicals that are known to the State of California to cause cancer and/or reproductive harm. Find more information here: <https://www.p65warnings.ca.gov/>.

If you have any questions regarding Proposition 65 and Hyde Tools' products, please contact our Customer Service Department by phone (1-800-872-4933) or email (custrelations@hydertools.com)
